

K-Love Radio serves Sonoma County by being uplifting and positive and decent. A great loss of peace and moral uplifting will be lost if K-Love can no longer broadcast on the radio for Sonoma County. It is clean and sends a message of hope. The public is served best by K-Love with the children and the hopelessness of some individuals tune in - they hear and are heard when they need to talk to someone. K-Love is on the air everywhere and that says that there is a need for them to be national because that is how they are being supported now. K-Love already has proof or they would not be being supported by the community.
